These very special calendars are dedicated to the children and families who face the challenges of Niemann-Pick Disease (NPD). Your purchase helps give hope to families affected by NPD as it raises funds for essential research into treatments and a cure. All proceeds benefit the National Niemann-Pick Disease Foundation (NNPDF), a 501(c)(3) nonprofit organization.

**Treasuring Each Day:
Working Together to Cure
Niemann-Pick Disease**

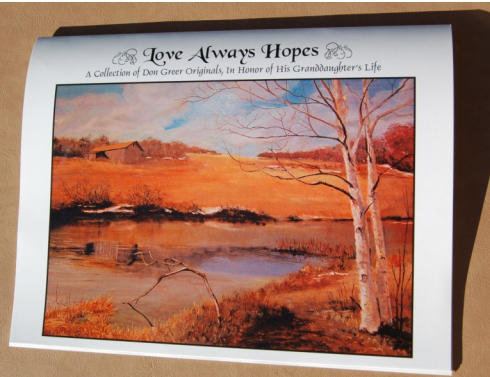

This calendar is full of playful, adorable puppies and sayings of hope and inspiration.

As we turn each page, we are reminded that we are in a race against time to find treatments and a cure for all children and adults battling NPD.

Love Always Hopes

This labor of love is a collection of New England artist Don Greer's beautiful scenic paintings. Along with Mr. Greer's lush artwork, the calendar features inspirational Bible verses.

Mr. Greer's granddaughter, Naomi Tyrrell (age 7), suffers from Niemann-Pick Disease Type C, and this calendar was created in her honor.
