

ZUMBATHON FUNDRAISER for DILLON PAPIER

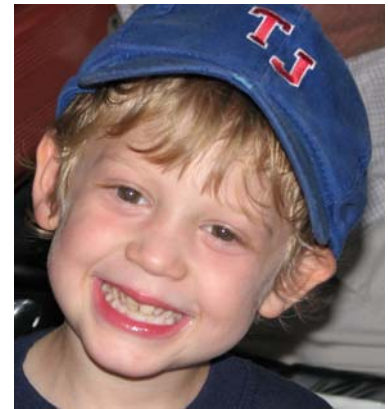

All proceeds will benefit Type C research for
THE NATIONAL NIEMANN-PICK DISEASE FOUNDATION

Saturday, August 8
2:00 to 4:00 pm
at Gold's Gym

Urbana Dance Studio would like to invite you to enjoy an afternoon of Zumba, the hottest new Latin dance-exercise craze sweeping America, on **Saturday, August 8th** from **2:00 pm to 4:00 pm** at **Gold's Gym, 5728 Buckeystown Pike, Frederick, MD**. The cost is only **\$10 per person** and all proceeds will be donated to the National Niemann-Pick Disease Foundation in support of Dillon's Fight.

Dillon Papier is an adorable little boy who lives in the Urbana community and loves spending time with his family as much as he loves baseball, music, and gourmet food. He awakes each morning with his ever present dazzling smile and exhibits his fun, loving personality throughout the day, always spreading joy and inspiration to everyone he meets. He has a zeal for life that is not typical of most children. One has to wonder if he knows that his years are numbered and he has taken it upon himself to live each day to the fullest.

In 2005, Dillon was diagnosed with Niemann-Pick Type C, which is a rare, devastating and always fatal disease that affects only 500 cases world wide. The symptoms of this disease include enlarged spleen and liver, clumsiness and loss of muscle control, deterioration of speech, seizures, and progressive neurological and intellectual decline. Many children die before the age of 10, or within 5-10 years of the diagnosis.

With your generosity the National Niemann-Pick Disease Foundation can achieve the necessary funding for critical research in hope of a successful treatment in time to spare Dillon and other children from the devastating affects of this fatal disease that robs them of our most precious gift – life.

By coming in and just doing something healthy for yourself, you are making a difference by supporting the vitally important research in hopes of finding a cure for this devastating, extremely rare disease that is always fatal. Without a treatment, the disease, within 5 -10 years, will rob Dillon of his ability to walk, talk, eat (eventually requiring feeding tube), and recognize his parents. It will then rob him of his most precious gift – life.

Please join Dillon's fight . . . time is Dillon's enemy. A cure must be found to save our fun-loving neighbor who has a unique sense of humor, infectious smile, and sweetness that touch all who meet him.

To reserve your spot at the Zumbathon: Call or visit Urbana Dance Studio at 301.874.4367 or email Sonja or Kim at urbanadance@urbanadance.com

Other Donations may be mailed to NNPDF, c/o Darrile Papier, 9741 Royal Crest Circle, Frederick MD 21704

Please Give From Your Heart Today

Dillon's family, friends, teachers, doctors and the other NPC children THANK YOU for providing "The Gift of Hope"
