

# ORIOLES BENEFIT FOR DILLON PAPIER

The proceeds will benefit Type C research for  
**THE NATIONAL NIEMANN-PICK DISEASE FOUNDATION**

Enjoy a ballgame with friends and family on **Sunday, August 30<sup>th</sup> at 1:35pm** at **Oriole Park Stadium** and join the fight against Niemann-Pick Type C (NPC) disease. Special package includes game ticket, dining/drinks/beer in the exclusive "Camden Club" prior to the game, Orioles/sports memorabilia silent auction, and a possible Orioles guest appearance **12-1:30pm**.

Help celebrate Dillon's **7<sup>th</sup> birthday** by sharing his love of baseball. You are making a difference with your support which funds the vitally important research in hope of finding a cure for this devastating, extremely rare disease that is always fatal (only 500 cases have been diagnosed in the world). Without a treatment the disease, within 5 -10 yrs, will rob Dillon of his ability to walk, talk, eat (eventually requiring feeding tube), and recognize his parents. It will then rob him of his most precious gift - life.

Dillon loves playing and watching baseball. His first words in the morning are "Do I have a little league game today?" Dillon is always asking his dad, TJ Baseball Coach Mark Papier, to help him refine his skills of hitting, bunting, catching, and his all-time favorite - sliding.

**Please be as generous as you can. Time is Dillon's enemy.** A cure must be found to save our fun-loving neighbor who has a unique sense of humor, infectious smile, and sweetness that touch all who meet him.
