Southmoore Golf Club

Help fund research for a cure for Niemann-Pick Disease

All proceeds will benefit Ara Parsegian Medical Research and Niemann-Pick Disease Foundations

Dear Friends,

Sean and Amy Recke received the worst possible news any parent could hear. Their youngest son, Adam, has been diagnosed with the very rare and fatal Niemann-Pick Type C Disease. This horrible disease which affects 100 people in the United States causes a progressive deterioration of the nervous system that ultimately, without a cure, is fatal. We are holding the golf tournament to raise funds to research a cure. If you could help with an award or raggle item that will help us raise money, it would be greatly appreciated. Here are a few other ways we are asking for help.

Hole Sponsorships:

Platinum	\$1,000 (includes a foursome--\$85/golfer or \$340/foursome)
Gold	\$ 500
Silver	\$ 300
Bronze	\$ 150
School Building	\$ 100

Raffle/Awards Sponsors

We are looking for businesses to give gift certificates or cash prizes in any amount for a raffle. We are also looking for any business that is willing to donate money towards awards/prizes. Each business that contributes will be included in our Patron Booklet. Donations are greatly appreciated!!

Please find it in your heart to help
